Work Experience

2023 May to 2024 November

GrowModo | Remote

- Specialized in WordPress development with experience across various page builders, including Elementor, WP Bakery, Beaver, Oxygen, Avada, and Divi.
- Expertise in enhancing website functionality using jQuery and PHP
- Customized e-commerce solutions for online businesses using WooCommerce plugin integration.
- Converted design assets into component-based HTML, CSS and JavaScript.
- Installed required plugins and additional coding to fit final design and functionality requirements.
- Designed responsive, mobile-first websites from design concepts.

2021 April to 2023 May

GoCrayons | J & J Bldg, 111 M.H. Del Pilar, Silang, Cavite
